LOVE IS IN THE AIR AT TCC!

Hello Friends,

As we move into February, we are excited to share the continued progress happening here at Trumbull Country Club. Our irrigation project enhancements are underway, ensuring our beautiful grounds remain lush and vibrant throughout the upcoming seasons. We look forward to the final results, which will enhance our overall course experience.

In addition, the final planning meetings are being held on the clubhouse renovation, and we can't wait to reveal the exciting updates. Soon, we'll have renderings available for you to preview—stay tuned for an exclusive look at the stunning transformations coming soon to your Club. The new design will impress, providing an even more inviting space to relax, dine, and socialize with fellow members and your guests.

VALENTINE'S DAY is just around the corner, and what better place to celebrate than at your Club? Join us on **Friday, February 14** as **EXECUTIVE CHEF CHAD** and his talented culinary team have crafted a truly spectacular menu for you and your special someone. Whether planning an intimate evening or a fun celebration with friends, the Club is the perfect place to enjoy delicious food and great company.

Speaking of love, don't forget to celebrate **GALENTINE'S DAY** with us on **Thursday, February 13!** Grab the girls and head to the Club for a fun-filled day with bottomless Bellinis—because who says Valentine's Day is just for couples? It's all about celebrating love and friendship; we have the perfect way to do it.

As I reflect on all that's happening at the Club, I can't help but smile as we get closer to spring—just 46 days away! This has been a real winter; brighter, warmer days are on the horizon. Let's spread love, kindness, and joy to everyone this month. It's a reminder that a little bit of kindness can go a long way.

Thank you for being a part of the Best Club in the Valley. We truly appreciate your continued support and look forward to welcoming you to the Club for all the upcoming events and improvements. Here's to a fabulous February and the anticipation of spring!
